USDF Movements through 3rd level

Are you interested in making sure you understand the changes that were made to the 2022 Dressage tests?

Don't miss out on this opportunity to have an "S" judge tell you where you're nailing it or where you need improvement!

Clinician: Marilyn Payne, FEI **** Eventing Judge and USEF "S" Dressage judge. She has judged at two Olympic games, most recently as head of the ground jury in Rio at the 2016 Olympics and has judged every 4* event in the world. She is a member of the FEI Eventing Committee, member of the USEF High Performance Committee and the USEF Eventing Committee. Marilyn led the USEF committee charged with designing the 2018 tests! She will share her insights into the process and the decisions to add movements changes to the tests.

This will be very interactive for the auditors: Marilyn will introduce the basics and purpose of each level and explain what they are looking for before teaching the riders. Auditors will have a test packet along with numbered cards to share their scoring with others. Scores will be discussed.

Preference will be given to riders for tests where changes were made: Starter, Novice B, Training A & B, Modified A, B & C, Prelim C, and Inter A, B, C.

Lunch is included for Riders. Lunch for pre-registered auditors is \$10.00.

**Masks are required except for riders.
