

in-hand + rider Easy

## EASY IN-HAND TRAIL & EASY TRAIL RIDER – walk & optional trot

Calling out course directions permitted. No schooling.

1. Walk in entrance gate. Turn left and halt between poles. Settle 3 seconds. Move cup from one pole to the other. Walk straight to bridge.
2. Send horse over L-shaped bridge. Walk to noodle push through.
3. Send horse through noodle push through and walk to square.
4. Halt in square, then turn  $\frac{3}{4}$  circle right (away from you) inside square. Exit square and walk (opt trot) to fanned ground poles.
5. Send horse at walk over fanned ground poles and serpentine around cones. Walk to barrel.
6. Halt at barrel. Pick up flag and walk a small circle around barrel while waving flag. Return flag and walk to ground pole.
7. Set horse up and sidepass over length of ground pole. Walk (opt trot) to square.
8. Walk (opt trot) straight through square and halt between ends of parallel ground poles. Back 3-5 steps.
9. Walk to exit gate. Maneuver through gate.
